Before and/or after lunch, enjoy a relaxing "onsen" bath. Kamiyamada hot spring mineral waters are 100% natural with a distinct sulfur smell. (Private bath times can be arranged.)

The geisha entertainment starts with **traditional dance** to such songs as "Chikuma Ko-Uta", a collection of romantic verses about the river flowing through our town. Then the geisha make their way around the room with amusing **conversation**. (Their lack of English shouldn't get in the way of everybody having fun.) This is often followed by the geisha engaging the guests in **parlor games** accompanied by shamisen.

Your Host : Kamesei Ryokan, a traditional ryokan with warm wood construction and gardens throughout. Togura Kamiyamada Onsen is proud of its geisha heritage and we here at Kamesei Ryokan are pleased to offer this lunch program of geisha entertainment matched with our Chef Takei's gourmet meal and soothing onsen. Tyler, our American proprietor, will gladly explain in English the finer points of Japanese cuisine and geisha culture.
